O R D E R:

In continuation of the orders issued in the G.Os 1st and 2nd read above, Government vide G.O. 3rd read above, have accorded renewal permission for drawl of 700 KL/day of water (i.e.0.286 Cusecs) from Polaraj Canal at KM 78.740 Right Bank for a further period of 10 years from 14.11.2013 to13.11.2023 for Industrial Purpose to M/s Sentini Cermica Pvt. Ltd., Chigurukota Village, Mudinepalli Mandal in Eluru District, which was expired on 13.11.2023.

2. In the letter 5th read above, the Engineer-in-Chief (Irrigation), Water Resources Department based on the report of the Chief Engineer, Godavari Delta System, Dowlaiswaram, has recommended the proposal to Government and requested to issue necessary orders for according renewal permission for drawl of 700 KL/day of water (0.286 Cusecs) from Polaraj Canal at KM 78.740 Right Bank to M/s Sentini Cermica Pvt. Ltd., Chigurukota (V), Mudinepalli (M) in Eluru District for a further period of 10 years w.e.f 14.11.2023 to 13.11.2033, subject to the following terms and conditions:

1. The water can be spared subject to the availability of water in the Polaraj Canal.
2. The entire cost of construction of intake well, pump house, pipelines excavation etc., should be borne by the industry only.
3. Water meters or suitable measuring devices should be installed by the industry at their own cost to measure the water consumed and should be made available to the Departmental Authorities and the representatives of the users shall be present at all times of inspection. The water meter shall be periodically calibrated and kept sealed. The period of calibration will be specified by the Department.
4. The industry should pay the water rate at the existing rates. Industrial water royalty charges may be revised by the Government from time to time and the industry has to pay the revised rates as fixed by the Government from time to time. In case of failure to pay water rate / royalty, the permissions to draw water shall stands cancelled .
5. The industry shall obtain the prior concurrence from the concerned Departments for laying pipelines and for crossing etc., where ever necessary.

6. No field bodhi or pipeline shall be taken through or along with Government land without approval of Government and if permission accorded by the Government, the lease should be paid as fixed by the Government only.
7. The industry should make their own arrangements to dispose the treated effluents as per norms of A.P.Pollution Control Board in their premises only and should obtain prior permission if any needed from Government to dispose treated effluents in their natural sources. Necessary clearance from the A.P.Pollution Control Board is to be obtained in this regard by the firm before drawl of water from the source.
8. The Water Resources Department reserves the right for cancellation of the permission without assigning any reasons thereof.
9. The Water Resources Department is no way responsible for non-supply of water due to any reasons.
10. The industry must acquire the private land for installation of pumping arrangements. If the industry proposes to utilize Government land for installation of pump house, necessary permissions is to be obtained from the Government for leasing the land and the lease amount fixed is to be paid by the industry.
11. The industry must strengthen the river margin 100m from the toe to the River Flood Bank.
12. The Industry has to lay CC(1:4:8) before laying the pipeline and CC(1:2:4) over the pipeline refill the pipeline with proper soils and consolidate the banks as directed by the Department.
13. The Industry has to construct CC walls to avoid leakage at pipeline crossing.
14. The water drawn from the Polaraj Canal should utilized for the purpose for which the permission is granted.
15. The Industry should follow the rules and regulations of Revenue and other Departments where ever necessary.
16. The Industry shall pay Security Deposit at 5% on 10 years water charges for which permission is granted.
17. The Industry shall pay one year water charges as advance and any amount due to the Department before entering into agreement.
18. The Industry has to conclude agreement with the Officers concerned of Water Resources Department.
19. The Industry shall abide by R.C.Act-1884 and any other condition laid down by the Government/ W.R. Department from time to time.
20. The Industry should make its own arrangements for summer storage in their premises only and to conclude agreements accordingly.
21. The Industry has to pay the water charges for the estimated quantity in advance at the start of the financial year i.e., before 10th April every year as per BSO.
22. Under any circumstances, the consumptive utilization should not exceed the quantum of water allotted by the Government.
23. The proposed drawl for this plant should not affect Lower Riparian Rights (LRR) and Upper Riparian Rights(URR) in any manner. The permission does not confer any Riparian Right to the industry.
24. The Department is no way responsible for any damages that may occur to the off take point due to floods in Polaraj Canal or on account of any other reasons.
25. Non-Adherence to any of the above condition by the industry will entail cancellation of the permission.
26. The Firm has to produce the relevant records for Departmental verification at the end of each quarter periodically.
27. The concerned Executive Engineer will be responsible for enforcing the conditions.
28. The firm has to obtain separate permission duly enclosing the drawings of pipe lines and lease amounts to be paid for the Government Land to be leased as per the prevailing norms.

3. After careful examination of the matter, and on the recommendation of the Engineer-in-Chief (Irrigation), Water Resources Department, Government hereby accord renewal permission for drawl of 700KL/day of water (0.286 Cusecs) from Polaraj Canal at KM 78.740 Right Bank **for a further period of 10 years for Industrial Purpose w.e.f 14.11.2023 to 13.11.2033** to M/s Sentini Cermica Pvt. Ltd., Chigurukota (V), Mudinepalli (M) in Eluru District, subject to the terms and conditions as mentioned at para-2 above.

4. The Engineer-in-Chief (Irrigation), Water Resources Department, Vijayawada, the Chief Engineer, Godavari Delta System, Dowlaiswaram and the Collector & District Magistrate of Eluru District shall take necessary action accordingly.

O R D E R

In the letters 1st and 3rd read above, the Engineer-in- Chief (I), Water Resources Department based on the report of Chief Engineer, Godavari Delta System, Dowlaiswaram, has recommended the proposal to the Government to accord permission to M/s Indian Oil Corporation Limited for laying of 8.625" dia Natural Gas Pipeline along with OFC for City Gas Distribution (CGD) network of Visakhapatnam across Yeleru Left Main Canal at two chainages Ch 21.779 Km and Ch 28.019 Km.

2. Government after careful examination of the proposal, hereby accord permission to M/s Indian Oil Corporation Limited, Visakhapatnam for laying of 8.625" dia Natural Gas Pipeline along with OFC for City Gas Distribution (CGD) network of Visakhapatnam across Yeleru Left Main Canal at two chainages Ch 21.779 Km and Ch 28.019 Km subject to the following terms & conditions :

1. The IOC Ltd. has to pay Rs. 20,00,000/- as security deposit towards restoration of Yeleru Left Main canal to its original standards in the shape of Demand Draft and in favour of Executive Engineer, YRC Division, Yeleswaram before commencement of work.
2. The present cost of land for the area which is to be utilized for laying of pipeline is arrived @ 10% of the land value per annum period as lease amount shall be paid by the IOCL for the initial 5 years of Rs.1,61,210/- in the shape of DD in favour of EE, YRC Division, Yeleswaram before commencement of work. The lease rental shall be enhanced in every block of 5 years by increasing up to 10% as fixed by the competent authority on the lease rental of the previous block of 5 years as per Revenue Department G.O Ms No.571 Dt: 14.09.2012.
3. The depth at which pipeline is to be laid on various crossings of Yeleru Left Main Canal along with necessary designs and drawings should be got approved by the CE, CDO, WRD.
4. During the execution of the work, proper safety precaution measures shall be taken. If any damages occur to YLMC they shall be restored to the original standards immediately at the firm's own cost.
5. The HP's of the YLMC should be maintained.

6. The M/s IOCL agency shall strictly follow the river conservancy rules as per conservancy act 1884.
7. The pipeline shall not be taken beneath any CM & CD structure of WRD and a minimum distance of 6.5 mts shall be maintained.
8. After execution of laying the pipeline, proper compaction is to be done and bank is to be restored to designed profile.
9. There shall not be any obstruction for the free flow of water/ navigation during the execution of the work or after the completion of the work.
10. If any damage is caused to crop or habitations in the vicinity, the sole responsibility shall lie with the applicant firm and adequate compensation should be paid by the M/s IOCL, Visakhapatnam to the farmers or people affected with the damage.
11. The ancillary / incidental works as may be required by the WRD / Farmers organization required for water supply has to be attended by the M/s IOCL during execution.
12. Safety of the pipeline laid is the sole responsibility of the M/s IOCL.
13. The firm has to intimate 15 days before commencement of work to the EE, YRC Division, Yeleswaram and the work has to be done under the close supervision of department staff only.
14. Any damages caused to the Government properties should be rectified by the IOCL at their own cost.
15. M/s IOCL should not make any alterations of the proposals without the consent of the Water Resources Department.
16. The Department is no way responsible for any legal complications arising out of public or other on the above work operation of the firm.
17. If any modification is required for the pipeline in future due to development activity in the Delta system, the IOCL shall carry out the modification at their cost to the satisfaction of the Department.
18. The M/s IOCL may lay pipe line in the areas permitted and in accordance with the plans under the supervision of EE, YRC Division, Yeleswaram.
19. The pipeline laying should be by Horizontal Digging and Drilling (HDD) method without disturbing the existing embankments. Necessary casing with cement concrete has to be provided at the cost of M/s IOC Ltd.
20. The laying of pipe line should be carried out during closure period of canals i.e., during summer season.
21. After laying of pipe line the water bodies should be restored to original standards and No Objection Certificate (NOC) may be obtained from the concerned officials of WRD for release of security deposit after 2 years of the completion of work.
22. There is possibility of new CM & CD works in the process of modernization as such the alignment of pipe line is to be diverted accordingly as and necessary during the course of execution of modernization work at the cost of M/s IOC Ltd.
23. The firm has no right on the land as it is only temporary lease. The firm should not construct any permanent or temporary structures on the flood banks.
24. The pipe line crossing river/ running embankment etc. should be completely leak proof.
25. The Department reserves the right to cancel the permission without assigning any reason thereof at any time.
26. The Water Resources Department has got complete rights over the canals to take up improvement works/ modernization works at any moment of time on canals/ drains to improve the system, by the way of modifying

these sectional prisms. The applicant agency shall take care of those changes which deemed to fit to their pipe line at their own cost.

27. Any other condition specified by the WRD at a later stage if found necessary, the same shall be binding on the firm.
28. M/s IOCL shall install sign/ display boards at the entry and exit of the each water body crossing showing necessary details.
29. Seignorage charges if any for sand / earth / metal etc. should be paid by the IOCL to Mines & Geology Department at the rates fixed by the Government.
30. In addition to the above, Water Resources Department authorities (i.e. the concerned EE) should collect Centage Charges from M/s IOCL as per D Code Provisions. The conditions laid in G.O. Rt. No. 265, Dt.11.04.2018 may also be imposed on M/s IOCL.

3. The Engineer-in-Chief (Irrigation), Water Resources Department, Andhra Pradesh, Vijayawada, Chief Engineer, Godavari Delta System, Dowlaiswaram and the Collector & District Magistrate, Visakhapatnam District shall take necessary action accordingly.
